After two VIP nights where the company entertained an estimated 7,500 invited residents and dignitaries from around the community and state, the massive family fun and food center opened its doors to several thousand more on Thursday at its grand opening. Over 200 local residents were hired for full and part time positions to staff the facility adding a shot in the arm to many looking for employment. One new employee remarked at the opening, "I had no idea it would be this fun to work here!"

The location is just five miles south of 465/74 and just north of the Greenwood Park Mall on the south side of Indianapolis. Indianapolis' Incredible Pizza opens at 11am daily for its \$5.99 lunch buffet. Special hours start at 9am for moms or dads with children ages 1 to 6 for "Mommy & Me," where parents can enjoy a continental breakfast and experience educational toys with their children in their soft play Comfyland Experience area. The nostalgic 1950s-themed facility features an all-you-can-eat buffet and over 100 stimulating video and redemption games, plus indoor go-karts, bumper cars, mini-bowling, mini-glow golf and more. The new 55,000-square-foot family entertainment center has reinvigorated the old a vacant building in the popular shopping and dining area.
