### **Local Restaurant Seeks Invasion by Police, Fire and Military**

In response to the tough economic conditions, a local restaurant and family entertainment center surrenders some profit margin in hopes for an invasion by local police, fire and military. The Incredible Hero program allows police, fire and military families a chance for relaxation and fun at America's Incredible Pizza Company at significant savings.

Why aren't more of our civil servants and military recognized in these challenging times? "Incredible Pizza Company recognizes the lengths our police, fire and military families go to in protecting our community and country, it's an honor to give them a nice discount to have them in our family entertainment centers," said Rick Barsness, CEO. "

The Incredible Hero program kicks off on May 20th through Memorial Day on May 25th. Police, Fire or Military families simply present an official ID or badge to receive the special discount for up to four family members.

America's Incredible Pizza Company headquartered in Springfield, MO. is a '50s-themed Family Entertainment Center with 16 locations in TX, OK, LA, MO, TN and Mexico. The all-indoor, smoke and alcohol-free facilities feature large, freshly-made pizza, pasta, salad, soup and dessert buffets, plus go-karts, mini-golf, bowling (most locations), bumper cars, and a fabulous game room.

For more details on the discount, participating locations, or to interview, contact Chris Brewer at 417-890-1408, ext. 210. [www.incrediblepizza.com](http://www.incrediblepizza.com)
